Terrain: All WMOC competitions will be held in a 25km radius, within the area of "Pinhal de Leiria". The terrain will be similar for all courses and is coastline forest, covered by Mediterranean pine tree, with some open areas close to the beach, especially on the Sprint Final.

Technically it's typical sand dune terrain with much small contour detail, easy running and good visibility. Most of the tracks have a symmetrical configuration. The altitude of the competition areas is between 10 and 85 metres high. The Sprint races will be more urban in nature.

Maps: - IOF standard, scale 1/10,000, contour interval 2.5m, surveyed 2007/2008, for Long.
 - IOF standard, scale 1/4,000 or 1/5,000, contour interval 2.5m, surveyed 2007/2008, for Sprint.

Previous O-Maps: A set of previous O-maps of embargoed areas can be ordered - as long as supply lasts - at a cost of 15,00€ (including postage)

Warm Up and Open Races: Warm up (on the 27th Jun) and Open races (in 1st and 4th Jul) will contain 9 categories in a range of technical difficulty and length with length variable from 2.5 to 7.0km. Map: IOF standard, scale 1/10,000, contour interval

Distance	Short	Medium	Long
